THE FACTS: WHAT HAVE WE LEARNED ABOUT THE PACESETTER PAK AND PACESETTER DAILY BONUS?

A new enrollee who purchased a Pacesetter Pak versus a 30-Day System on their first order:

- ✓ Is 170% MORE likely to become an enroller. Pacesetter enrollees become enrollers because they begin earning right away.
- ✓ Will have 17% more new enrollees. Daily Pay and sample paks are incentives that encourage enrollees to begin the process of duplication more quickly.
- ✓ Will generate a GREATER total BV for the upline. Pacesetter enrollees learn business momentum early on starting new members off the same way they did.
- ✓ Will have earned 46% MORE in overall commissions during their first month. Many new enrollees generated \$320-\$400 in just their first week!
